PETITIONING THE COURT

To modify the conditions of supervision as follows:

1. The defendant shall reside and participate in a residential community corrections center, Turning Point, Fresno, California, for a period of 120 days; said placement shall commence on January 23, 2015, pursuant to 18 USC 3563(b) (11). The defendant shall pay the cost of confinement as determined by the Bureau of Prisons.

Justification: The offender is incarcerated in the Bureau of Prisons with a projected release date of March 11, 2015. The offender is currently residing at the residential community corrections center, Turning Point, in Fresno, California. Correspondence from Turning Point indicates he does not have a viable release plan. Given these circumstances, it is felt a public law placement in Turning Point is needed to assist him in finding suitable living arrangements. Therefore, it is recommended his conditions of supervision be modified to include that he reside in Turning Point for up to 120 days. Should the offender find stable living arrangements prior to serving 120 days in this facility, he will be allowed to release into the community. It is noted the offender has signed a Probation 49 - Waiver, agreeing to this modification.

Respectfully submitted,
